

Membership

Membership

Membership of the Bridge Innovation Centre is by an application process and offers a wide range of benefits for your business.

There are a number of membership offerings:

Associate Membership

Associate membership is by license and is charged annually at £240.00 per annum. This provides an entry into the Bridge Innovation Centre for early start businesses or established businesses for which residence in the Bridge Innovation Centre is not a requirement.

Associate Membership offers the following benefits:

- Discounted rates for use of meeting and conference rooms
- Free use of AVA equipment in meeting and conference rooms
- Access to the Atrium space for use as an informal meeting space
- Use of WIFI when visiting the building
- Access to a range of specialist seminars and workshops delivered by a range of specialist business consultants
- Invitation to networking and other business events providing opportunities for collaboration with other business.

Hot Desk Membership

The Bridge Innovation Centre partners Indycube, Wales' leading co-working company to provide a flexible and affordable hotdesk service.

Why a hot desk?

If you need to move on from operating from your home but do not need or are not ready for the commitment of a dedicated office, the hotdesk could be the answer. It offers an entry point to the Bridge Innovation Centre and enables you to make use of our facilities on a casual basis. At the Bridge Innovation Centre the hotdesk space is run by Indycube.

Indycube is a Community Interest Company that runs a number of shared co-working spaces across Wales and they run our co-working space as partners with us. Hot desks are priced at £12.00 per day on a pay as you go basis or a single dedicated desks in the Indycube shared office environment is priced at £180.00 per month, or £100 for 10 days per month (all subject to VAT) prices and details also available here: <http://indycube.cymru/co-working>

By joining the Indycube environment in the Bridge Innovation Centre, you get to enjoy the high speed Internet and can join the Bridge Innovation Centre telephone system to have a dedicated business telephone number of your own.

Virtual Office Membership

Available by license charged at £100.00 per month in advance.

Virtual Office Membership offers the following benefits:

- Use of the prestigious Bridge Innovation Centre Postal Address
- Daily redirection of post
- Dedicated telephone number all calls re-directed to one specified number of your choice
- Reception service, enabling unannounced visitors to be greeted and informed your company is not in the office and a follow up notification of visitor to be made to you by e-mail or text.
- Discounted rates for use of pre-booked meeting and conference rooms
- Free use of AVA equipment in meeting and conference rooms
- Access to the Atrium space for use as an informal meeting space
- Use of WIFI when visiting the building
- Access to a range of specialist seminars and workshops delivered by a range of specialist business consultants
- Invitation to networking and other business events providing opportunities for collaboration with other business.

Resident Office Membership

Office resident membership provides full resident status in the Bridge Innovation Centre. Rent on all offices is all inclusive, this includes: rent, national non domestic rates, heating, lighting, and other utilities. It also includes as an opt in, unlimited Internet access on a shared line at 100Mbps and up to 10 direct dial in telephone numbers on the Bridge Innovation Centre MITEL VOIP exchange.

- Reception service
- Free use of pre-booked meeting rooms and discounted rates for conference rooms

Growth Membership

The Pembrokeshire Science and Technology Park has a number of growth units suitable for technology businesses that require workshop space. Growth units also have the potential to be converted to two storey office space effectively doubling the floor space available. These units are ideal for growth out of the Innovation Centre. These units are self contained and are leased on a commercial basis. Each unit has its own utility meters, telephone lines etc. There is the capability to extend the data network from the Bridge Innovation Centre for businesses wishing to make use of the large bandwidth availability at the Science and Technology Park.

Graduate Membership

For businesses that have been resident in the Bridge Innovation Centre and graduated to larger accommodation, a graduate membership is offered free of charge. This allows use of the Innovation Centre facilities on an associate level.
